**Boil Water Notice Rescinded
Loop 116 to Seven Oaks
02/05/2024**

On **January 16, 2024**, the Texas Commission on Environmental Quality required the Leggett Water Supply Co, TX 1870007, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of **February 5, 2024**.

If you have questions concerning this matter, you may contact **Leggett Water Supply Co., P.O. Box 757 Livingston, Tx at 936-328-8582 or 936-328-4717.**

Public water systems may add optional language here concerning the actions they have taken to address the boil water notice situation. The public water system customers and the executive director shall be able to reach the public water system at one of the numbers listed in this notice. If a customer, individual, or employee wishes to contact the executive director, please call (512) 239-4691
