Public Boil Water Rescind Notice To the Customers of Pine Harbor Neighborhood

**OR ANY OTHER CUSTOMER IN THIS AREA THAT EXPERIENCED A WATER OUTAGE
DURING THIS TIME.**

on Thursday, March 7, 2024, the Texas Commission on Environmental Quality (TCEQ) required our public water system, Onalaska Water Supply Corporation (OWSC) PWS ID #1870009, to issue a Boil Water Notice (BWN) to inform certain customers on of PINE HARBOR NIEGHBORHOOD OR ANY OTHER CUSTOMER IN THIS AREA THAT EXPERIENCED A WATER OUTAGE DURING THIS TIME., that due to a loss of pressure from a water main break, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of today, Friday, March 8, 2024.

If you have questions concerning this matter, you may contact Sidney L. Chance Jr., General Manager at 936-646-5393.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
