

## **BOIL WATER RESCIND NOTICE**

**Date: 03/20/2024 - To customers in the following areas:  
ALL OF UPPER LEGGETT & GALLOWAY**

On the Texas Commission on Environmental Quality (TCEQ) required our public water system, Leggett Water Supply Corporation, PWS ID: 1870007 to issue a Boil Water Notice (BWN) to inform our customers that due to the presence of contaminants or an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate the water no longer requires boiling as of **03/22/2024**.

If you have any questions, contact Leggett Water Supply Corporation at (936)-328-8582.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
