WINTER STORM WARNING

A Winter Storm Warning is in effect for Polk County until 6 a.m. Monday.

A Winter Storm Warning means severe winter weather conditions are expected or are occurring. Significant amounts of snow are forecast that will make travel dangerous.

It is forecast that Polk County could have total snow accumulations of 2 to 4 inches mainly across northern part of the County. The southern part of the County may see less.

Make preparations and avoid unnecessary travel. If you must travel, keep supplies (flashlight, food, water) in your vehicle in case of an emergency.

Continue to monitor the latest forecasts. To check highway conditions, log onto www.DriveTexas.org.

TXDOT began pre-treating roadways Friday night and will continue to monitor and treat roadways as needed throughout the winter weather event.

Remember to protect, pets, plants, and pipes.

Check your school district's website and/or social media pages for delayed start/closure information.
